### Interactivity

- Hyperlinks will allow you to go further in details into ships specificities
- From description you can change ships status as 'for sale' and be able then to find it under '**sales**' tab
- Link to 3<sup>rd</sup> party information (i.e. Equasis, LR-Fairplay, Clarksons Newbuildings)
- Link to parent owning/operating company

### Functionalities

- Save      Update your own description specifications, details and comments on private basis
- Files      Attach files to one ship: descriptions, reports, plans...
- Export      Export descriptions and details into several formats
- From a result list of vessels, navigate from one description to another
