

Installation of the AXSS&P plugins

Pre requisite

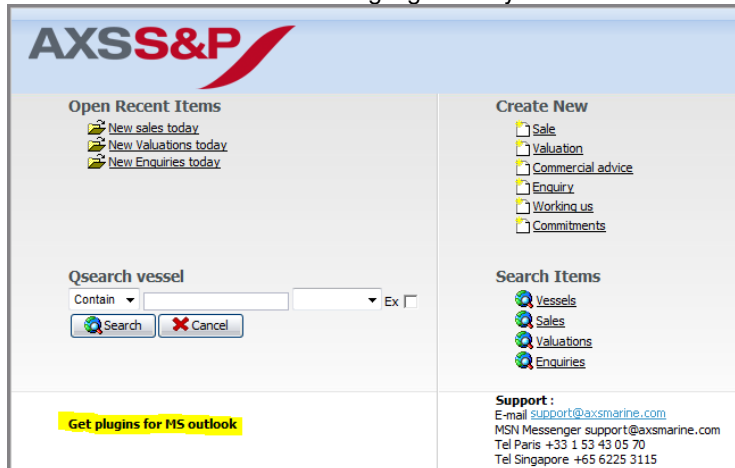

Operating System: Windows XP/Vista
Outlook version: 2003/2007

Installation Steps

1-Go on : http://www1.axsmarine.com/public/s_p/login_axssp.php

2-Enter your login and password

3-Click on: "Get plugins for MS outlook". See below highlighted in yellow:

4-Click on save and make attention where you save your file

5-Open the file SNPlugins.zip that you just saved

6-Unzip the file (as many software exist to unzip file, there is no one procedure existing, please ask he you need any help)

7-Close Microsoft Outlook and Microsoft office applications (ideally restart your computer or check in the task if Outlook has been closed: do Ctrl + Alt + Supp, then choose task manager)

8-Open the unzipped folder: "SNPlugins"

9-Click on "setup.exe"

10-Click Next / Click Next / Click Next / Click Close

11-Open Outlook and click on the button: "SNPplugins"

PS: Of course the plug-in can also be installed using Active Directory on several PC at the same time. If willing to get more information about it, please contact us.
